**BT CHEMICALS SDN. BHD.**  
(Incorporated in Malaysia)

**DIRECTORS' REPORT**

The directors hereby present their report together with the audited financial statements of the Company for the financial year ended 31 March 2026.

**Principal Activities**

The Company is principally involved in manufacturing in all kinds of chemicals.

There have been no significant changes in the nature of these activities during the financial year.

**Financial Results**

Net profit for the financial year

RM 373,569

**Dividends**

During the financial year, the Company declared: -

- (a) A first interim single tier exempt dividend of RM 0.95 per share amounting to RM 500,000 in respect of the financial year ended 31 March 2026.

**Reserves and Provisions**

There were no material transfers to or from reserves or provisions during the financial year except as disclosed in the financial statements.

**Issue of Shares and Debentures**

The Company did not issue any new shares or debentures during the financial year under review.

**Options Granted Over Unissued Shares**

No options were granted to any person to take up unissued shares of the Company during the financial year under review.

**Directors**

The directors who served since the beginning of the financial year to the date of this report are as follows:

SANJAY SURENDRA TIBREWALA

SONAI KEDHA SANKAR

RAMAN A/L PERUMAL

SUNIL VASANTRAO WAGHMARE

**Directors' Interests**

Details of holdings in the share capital of the Company and its related corporations by the directors who held office at the end of the financial year, according to the register required to be kept under Section 59 of the Companies Act, 2016 were as follows: -

|                                                        | <----- No. of ordinary shares -----> |                      |                  |
|--------------------------------------------------------|--------------------------------------|----------------------|------------------|
|                                                        | At<br>01.04.2025                     | Acquired<br>Disposed | At<br>31.03.2026 |
| <b>Shareholdings in the ultimate holding company:-</b> |                                      |                      |                  |
| Fineotex Chemical Limited                              |                                      |                      |                  |
| <u>Direct interest:-</u>                               |                                      |                      |                  |
| Sanjay Surendra Tibrewala                              | 3,213,990                            | -                    | 3,213,990        |

By virtue of his interest in the shares in the ultimate holding company, Sanjay Surendra Tibrewala is deemed interested in the shares of the Company and its related corporations to the extent the ultimate company has an interest.

Other than stated above, none of the other directors held any shares in the Company or its related corporations during the financial year under review.

**Directors' Benefits**

Since the end of the last financial year, no director of the Company has received or become entitled to receive any benefit (other than the directors' remuneration as mentioned in the notes to financial statements) by reason of a contract made by the Company or a related corporation with the director or with a firm of which the director is a member, or with a company in which the director has a substantial financial interest.

Neither during nor at the end of the financial year was the Company a party to any arrangement the object of which is to enable the directors to acquire benefits by means of the acquisition of shares in or debentures of the Company or any other body corporate.

**Directors' Remuneration**

The amounts of the remunerations of the directors or past directors of the Company comprising remunerations received/receivable from the Company during the financial year, as follows:

|                             | <b>2026<br/>RM</b> |
|-----------------------------|--------------------|
| Fee                         | 3,000              |
| Salary and other emoluments | 300,425            |
| EPF contribution            | 26,040             |
|                             | <u>329,465</u>     |

None of the directors or past directors of the Company have received any other benefits otherwise than in cash from the Company during the year.

No payment has been paid to or payable to any third party in respect of the services provided to the Company by the directors or past directors of the Company during the year.

**Indemnifying Directors, Officers or Auditors**

No indemnities have been given or insurance premiums paid, during or since the end of the year, for any person who is or has been the director, officer or auditor of the Company.

**Other Statutory Information**

- (a) The directors, before the financial statements of the Company were made out, took reasonable steps: -
- (i) to ascertain that action had been taken in relation to the writing off of bad debts and the making of allowance for impairment losses on receivables and satisfied themselves that all known bad debts had been written off and no allowance for impairment losses on receivables is required; and
  - (ii) to ensure that any current assets which were unlikely to realise their book value in the ordinary course of business were written down to an amount which they might be expected so to realise.
- (b) The directors are not aware of any circumstances, at the date of this report, which would render: -
- (i) the amount written off for bad debts or the allowance for impairment losses on receivables in the financial statements of the Company inadequate to any substantial extent;
  - (ii) the values attributed to the current assets in the financial statements of the Company misleading;
  - (iii) any amount stated in the financial statements of the Company misleading; and;
  - (iv) adherence to the existing method of valuation of assets or liabilities of the Company misleading or inappropriate.

**Other Statutory Information (Cont'd)**

- (c) No contingent or other liabilities of the Company have become enforceable or are likely to become enforceable within the period of twelve months after the end of the financial year which, in the opinion of the directors, will or may affect the ability of the Company to meet its obligations as and when they fall due.
- (d) At the date of this report: -
- (i) there are no charges on the assets of the Company which have arisen since the end of the financial year to secure the liabilities of any other person; and
  - (ii) there are no contingent liabilities in respect of the Company which have arisen since the end of the financial year.
- (e) In the opinion of the directors: -
- (i) the results of the operations of the Company during the year were not substantially affected by any item, transaction or event of a material and unusual nature.
  - (ii) no item, transaction or event of a material and unusual nature has arisen in the interval between the end of the year and the date of this report which is likely to affect substantially the results of operations of the Company for the year in which this report is made.

**Holding Companies**

The immediate holding company is Fineotex Malaysia Limited, a company incorporated in Federal Territory of Labuan, Malaysia and the ultimate holding company is Fineotex Chemical Limited, a company incorporated in India.

**Auditors' Remuneration**

Total amounts paid to or receivable by the auditors as remunerations for their services as auditors of the Company are as follows:

|                 | <b>2026<br/>RM</b> |
|-----------------|--------------------|
| Statutory audit | <u>18,000</u>      |

**Auditors**

The auditors, Messrs. S F Chang & Co. (AF 1384), have expressed their willingness to accept re-appointment.

Approved by the Board and signed on behalf of the Directors:

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF  
BT CHEMICALS SDN. BHD.**

[Company No: 200501008597 (685644-V)]  
(Incorporated in Malaysia)

**Report on the Audit of the Financial Statements**

**Opinion**

We have audited the financial statements of BT CHEMICALS SDN. BHD., which comprise the statement of financial position as at 31 March 2026, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 10 to 27.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 March 2026, and of its financial performance and its cash flows for the year then ended in accordance with Malaysian Private Entities Reporting Standard and the requirements of the Companies Act, 2016 in Malaysia.

**Basis for Opinion**

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Independence and Other Ethical Responsibilities**

We are independent of the Company in accordance with the By-Laws (*on Professional Ethics, Conduct and Practice*) of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

**Information Other than the Financial Statements and Auditors' Report Thereon**

The directors of the Company are responsible for the other information. The other information comprises the Directors' Report but does not include the financial statements of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Company does not cover the Directors' Report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Company, our responsibility is to read the Directors' Report and, in doing so, consider whether the Directors' Report is materially inconsistent with the financial statements of the Company or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the Directors' Report, we are required to report that fact. We have nothing to report in this regard.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF  
BT CHEMICALS SDN. BHD. (CONT'D)**

[Company No: 200501008597 (685644-V)]  
(Incorporated in Malaysia)

**Responsibilities of the Directors for the Financial Statements**

The directors of the Company are responsible for the preparation of financial statements of the Company that give a true and fair view in accordance with Malaysian Private Entities Reporting Standard and the requirements of the Companies Act, 2016 in Malaysia. The directors are also responsible for such internal control as the directors determine is necessary to enable the preparation of financial statements of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Company, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also: -

- (a) Identify and assess the risks of material misstatement of the financial statements of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- (c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF  
BT CHEMICALS SDN. BHD. (CONT'D)**

[Company No: 200501008597 (685644-V)]  
(Incorporated in Malaysia)

**Auditors' Responsibilities for the Audit of the Financial Statements (Cont'd)**

- (d) Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (e) Evaluate the overall presentation, structure and content of the financial statements of the Company, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Other Legal and Regulatory Requirements**

In accordance with the requirements of the Companies Act, 2016 in Malaysia, we also report that in our opinion, the accounting and other records and the registers required by the Act to be kept by the Company have been properly kept in accordance with the provisions of the Act.

**Other Matters**

This report is made solely to the members of the Company, as a body, in accordance with Section 266 of the Companies Act, 2016 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

The accompanying notes form an integral part of the financial statements.

**BT CHEMICALS SDN. BHD.**  
(Incorporated in Malaysia)

**NOTES TO THE FINANCIAL STATEMENTS**

**1. General Information**

The Company is a private limited liability company, incorporated and domiciled in Malaysia.

The Company is principally involved in manufacturing in all kinds of chemicals.

The registered office of the Company is located at No. 63C, Jalan SS 25/2, Taman Bukit Emas, 47301 Petaling Jaya.

The principal place of business of the Company is located at No. 9, Jalan BA/3, Kawasan Perusahaan Bukit Angkat, 43000 Kajang, Selangor.

The financial statements are presented in Ringgit Malaysia ("RM"), which is also the functional currency of the Company.

**2. Basis of Preparation**

The financial statements have been prepared in accordance with Malaysian Private Entities Reporting Standard ("MPERS") and the requirements of the Companies Act, 2016 in Malaysia.

The financial statements have been prepared using historical cost basis, unless otherwise stated in the significant accounting policies set out in Note 3.

**3. Significant Accounting Policies**

**(a) Plant and equipment**

Plant and equipment are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The cost of an item of plant and equipment comprises purchase price; any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management; and the initial estimate of the costs of dismantling and removing the item and restoring the site on which the asset is located.

All items of plant and equipment are depreciated by allocating the depreciable amounts of assets less their residual values over their estimated useful lives, using straight-line method. The annual depreciation rates used for the depreciation are as follows: -

|                             |               |
|-----------------------------|---------------|
| Factory renovation          | 10.0%         |
| Plant and equipment         | 12.5%         |
| Furniture and fittings      | 10.0%         |
| Office equipment and others | 10.0% - 20.0% |
| Motor vehicles              | 12.5%         |

At the end of each reporting period, the estimated residual values, estimated useful lives and depreciation methods are reviewed for any significant changes. If there is any change, the depreciation of an asset is revised prospectively.

3. **Significant Accounting Policies (Cont'd)**

(b) **Impairment of non-financial assets**

An impairment loss occurs when the carrying amount of an asset exceeds its recoverable amount. The recoverable amount of an asset or a cash-generating unit is the higher of its fair value less costs to sell and its value in use.

At each reporting date, the entity assesses whether there is any indication that an asset may be impaired. If any such indication exists, the entity estimates the recoverable amount of the asset and compares with its carrying amount. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss. For property, plant and equipment carried at revalued amount, impairment loss is treated as a revaluation decrease.

(c) **Inventories**

Inventories are measured at the lower of cost and net realisable value. Cost comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost of inventories is measured by using the first-in-first-out basis. Net realisable value is the estimated selling price less costs to complete and sell.

In arriving at net realisable value, due allowance would be made for all obsolete and slow-moving inventories.

(d) **Cash and cash equivalents**

Cash and cash equivalents comprise cash in hand, bank balances and deposits that are readily convertible to known amount of cash and which are subject to an insignificant risk of changes in value. They are held to meet short-term cash commitments instead of for investment or other purposes. For the purpose of statement of cash flows, cash and cash equivalents are presented net of bank overdrafts and pledged deposits.

(e) **Financial instruments**

A financial instrument is a contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) **Initial recognition and measurement**

A financial asset or a financial liability (including derivative instruments) is recognised only when the entity becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset or a financial liability is measured at the transaction price, including transaction costs. For a financial asset or a financial liability that is subsequently measured at fair value through profit or loss, transaction costs are expensed to profit or loss when incurred.

3. **Significant Accounting Policies (Cont'd)**

(e) **Financial instruments (cont'd)**

(i) Initial recognition and measurement (cont'd)

An arrangement constitutes a financing transaction, if payment is deferred beyond normal business terms. Under a financing transaction, a financial asset or a financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument as determined at initial recognition.

(ii) Subsequent measurement

Debt instruments are measured at amortised cost using the effective interest method. Debt instruments that are classified as current assets or current liabilities are measured at the undiscounted amount of the cash or other consideration expected to be paid or received, unless the arrangement constitutes, in effect, a financing transaction.

Investments in non-convertible preference shares and non-puttable ordinary or preference shares, that are publicly traded or their fair value can otherwise be measured reliably without undue cost or effort, are measured at fair value with changes in fair value recognised in profit or loss. All other such investments are measured at cost less impairment.

Derivative financial instruments (other than derivatives designated as a hedging instrument) are measured at fair value and changes in fair value recognised in profit or loss.

All financial assets are subject to review for impairment, except for financial assets measured at fair value through profit or loss.

(iii) Impairment

At the end of each reporting period, financial assets that are measured at cost or amortised cost are assessed as to whether there is objective evidence of impairment. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

For a financial asset measured at amortised cost, the impairment loss is the difference between the asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If such a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

For a financial asset measured at cost less impairment, the impairment loss is the difference between the asset's carrying amount and the best estimate of the amount that would be received for the asset if it were to be sold at the reporting date.

If, in a subsequent period, the amount of an impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed in profit or loss.

3. **Significant Accounting Policies (Cont'd)**

(e) **Financial instruments (cont'd)**

(iv) **Derecognition**

A financial asset is derecognised only when (i) the contractual rights to receive the cash flows from the financial asset expire or are settled; or (ii) the entity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, including circumstances when the entity acts only as a collecting agent of the transferee, and retains no significant risks and rewards of ownership of the financial asset or no continuing involvement in the control of the financial asset transferred.

A financial liability is derecognised only when it is extinguished, i.e. when the obligation specified in the contract is discharged, is cancelled or expired. A substantial modification of the terms of an existing financial liability is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

(f) **Equity instruments**

Instruments classified as equity are measured at cost on initial recognition and are not remeasured subsequently.

(i) **Issue expenses**

Costs directly attributable to the issue of instruments classified as equity are recognised as a deduction from equity, net of any related income tax benefit.

(ii) **Ordinary shares**

Ordinary shares are classified as equity.

(g) **Leases**

A lease is classified as a finance lease, if it transfers substantially all the risks and rewards incidental to ownership. All other leases that do not meet this criterion are classified as operating leases.

(i) **Finance lease**

At the commencement of the lease term, the rights of use and obligations under finance leases are recognised as assets and liabilities at amounts equal to the fair value of the leased property or, if lower, the present value of the minimum lease payments, determined at the inception of the lease. Subsequently, the minimum lease payments are apportioned between the finance charge and the reduction of the outstanding liability using the effective interest method. Contingent rents are charged as expenses in the periods in which they are incurred.

3. **Significant Accounting Policies (Cont'd)**

(h) **Revenue**

(i) Goods sold

Revenue from the sale of goods is recognised when significant risks and rewards of ownership of the goods are transferred to the buyer; the seller retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold; the amount of revenue can be measured reliably; it is probable on the inflow of economic benefits that are associated with the transaction; and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

(ii) Interest income

Interest income is recognised using the effective interest method.

(i) **Employee benefits**

(i) Short-term employee benefits

Short-term employee benefit obligations in respect of salaries, annual bonuses, paid annual leave and sick leave are measured on an undiscounted basis and are expensed as the related service is provided.

A liability is recognised for the amount expected to be paid under short-term cash bonus or profit-sharing plans if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) Defined contribution plans

As required by law, companies in Malaysia make contributions to the Employees Provident Fund ("EPF"). Such contributions are recognised as an expense in the profit or loss as incurred.

(j) **Borrowing costs**

All borrowing costs are recognised as an expense in profit or loss in the period in which they are incurred.

(k) **Income tax**

Current tax liability is recognised for tax payable on taxable profit for the current and past periods. If the amount paid for the current and past periods exceeds the amount payable for those periods, the excess is recognised as a current tax asset. Current tax liability or asset is measured at the amount it expects to pay or recover using the tax rates and laws that have been enacted or substantively enacted by the reporting date.

3. **Significant Accounting Policies (Cont'd)**

(k) **Income tax (cont'd)**

Deferred tax liability is recognised for all taxable temporary differences, except to the extent that the deferred tax liability arises from: (i) the initial recognition of goodwill; or (ii) the initial recognition of an asset or a liability in a transaction that is not a business combination, and at the time of the transaction, affects neither accounting profit nor taxable profit or tax loss.

Deferred tax liability is recognised for all taxable temporary differences associated with investments in subsidiaries, branches and associates, and interests in joint ventures, except to the extent that (a) the parent, investor or venturer is able to control the timing of the reversal of the temporary difference; and (b) it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax asset is recognised for all deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised, unless the deferred tax asset arises from the initial recognition of an asset or a liability in a transaction that is not a business combination, and at the time of the transaction, affects neither accounting profit nor taxable profit or tax loss.

Deferred tax asset is recognised for all deductible temporary differences arising from investments in subsidiaries, branches and associates and interests in joint ventures, only to the extent that it is probable that the temporary difference will reverse in the foreseeable future; and taxable profit will be available against which the temporary difference can be utilized.

A deferred tax liability or asset is measured using the tax rates and tax laws that have been enacted or substantively enacted by the reporting date. The measurement of deferred tax liabilities and deferred tax assets reflects the tax consequences that would follow from the manner in which, at the reporting date, the carrying amount of the related assets and liabilities is expected to be recovered or settled.

Current or deferred tax assets and liabilities are not discounted.

(l) **Foreign currency**

Functional currency is the currency of the primary economic environment in which the entity operates.

A foreign currency transaction is recorded, on initial recognition in the functional currency, by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

At the end of each reporting period, foreign currency monetary items are translated using the closing rate; non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction; and non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

Exchange differences arising on the settlement of monetary items or on translating monetary items are recognised in profit or loss in the period in which they arise.

#### 4. Judgements and Estimation Uncertainty

The preparation of the financial statements of the Company in compliance with MPERS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses in the financial statements. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods.

There are no significant areas of estimation uncertainty and critical judgements in applying accounting policies that have significant effect on the amounts recognised in the financial statements, unless otherwise disclosed in the notes to the financial statements.

#### 5. Plant and Equipment

| <b>Ordinary shares: -</b>    |                             |                |                             |                |
| <b>Issued and fully paid</b> | <u>525,000</u>              | <u>883,500</u> | <u>525,000</u>              | <u>883,500</u> |

10. **Retained Profits**

The Company is able to distribute dividends out of its entire retained profits as at 31 March 2026.

**11. Deferred Tax Liabilities**

|                                          | <b>2026</b>   | <b>2025</b>   |
|------------------------------------------|---------------|---------------|
|                                          | <b>RM</b>     | <b>RM</b>     |
| Movements in the deferred tax account: - |               |               |
| As at 01 April                           | 21,285        | 52,566        |
| Transfer to income statement             | 555           | (1,719)       |
| Under/(Over) provision in prior year     | 490           | (29,562)      |
| As at 31 March                           | <u>22,330</u> | <u>21,285</u> |

The balance in the deferred taxation is made up of tax effects of temporary differences arising from: -

| <u>Deferred tax liabilities recognised</u> | <u>Assets claiming capital allowance</u> |               |
|--------------------------------------------|------------------------------------------|---------------|
| As at 01 April                             | 21,285                                   | 52,566        |
| Recognised in income statement             | 555                                      | (1,719)       |
| Under/(Over) provision in prior year       | 490                                      | (29,562)      |
| As at 31 March                             | <u>22,330</u>                            | <u>21,285</u> |

**12. Other Payables**

|                | <b>2026</b>    | <b>2025</b>    |
|----------------|----------------|----------------|
|                | <b>RM</b>      | <b>RM</b>      |
| Other payables | 502,755        | 297,530        |
| Accruals       | 203,507        | 220,977        |
|                | <u>706,262</u> | <u>518,507</u> |

**13. Amount Due by Ultimate Holding Company**

The amount due to ultimate holding company represents trade balances and repayable on demand.

**14. Amount Due to Related Companies**

|                | <b>2026</b>      | <b>2025</b>      |
|----------------|------------------|------------------|
|                | <b>RM</b>        | <b>RM</b>        |
| Trade balances | (2,286,436)      | (2,710,949)      |
| Advances       | 7,195,793        | 7,536,057        |
|                | <u>4,909,357</u> | <u>4,825,108</u> |

Advances are unsecured interest free and repayable on demand.

**15. Revenue**

This represents invoiced value of goods sold and services rendered net of discounts.

**16. Other Operating Income**

|                                         | <b>2026</b>    | <b>2025</b>    |
|-----------------------------------------|----------------|----------------|
|                                         | <b>RM</b>      | <b>RM</b>      |
| Cash rebate on credit card              | -              | 85             |
| Fixed deposit interest income           | 55,991         | 80,472         |
