Encl: As above

**PRESS RELEASE****Fineotex commences its new state-of-the-art Manufacturing Facility at Ambernath to expand its Production Capacity**

- *The company has invested approx. INR 60 crores in the new facility expanding operational footprint by 7 acres*
- *The first phase of additional facility will add 15,000 metric tonnes to existing production capacity in Phase 1*
- *The new plant is strategically located with seamless connectivity to Jawaharlal Nehru Port (JNPT), Bhiwandi, and FCL's existing Ambernath facility*

**Mumbai, 7<sup>th</sup> August 2025:** Fineotex Chemical Limited (FCL), one of India's leading multinational specialty performance chemical manufacturers, is pleased to announce the commencement of its new state-of-the-art manufacturing facility from 7 August 2025.

Fineotex has invested approximately INR 60 crores in the facility, funded through internal accruals and capital raised, adding 7 acres of land to its operational footprint. The first phase of additional facility will increase the company's production capacity to 15,000 metric tonnes, catering to the growing demand for specialty chemicals across domestic and international markets.

Strategically located, the new facility offers seamless connectivity to Nhava Sheva Port (JNPT), Bhiwandi, and Fineotex's existing Ambernath plant ensuring efficient logistics and faster delivery ensuring efficient logistics and faster delivery to customers.

**Mr. Sanjay Tibrewala, Executive Director of Fineotex Chemical Limited**, added, *"We are pleased to be on track with our planned timeline. The commencement of our new manufacturing facility is a testament to Fineotex's long-term vision and commitment to scaling our operations sustainably. With enhanced production capacity and strategic connectivity, we are well-positioned to add more products and avenues to meet the evolving needs of our customers while strengthening our market leadership".*

Speaking on the occasion, **Mrs. Aarti Jhunjunwala, Executive Director of Fineotex Chemical Limited**, said: *"The commencement of our Ambernath facility in August 2025 reaffirms our commitment to adhering to project timelines. With this expansion, we aim to meet the growing needs of our customers and strengthen our position as a leading specialty chemical manufacturer. The new facility will not only increase our production capacity but also enhance our ability to deliver innovative and sustainable solutions to our clients"*

This expansion marks a significant milestone in the company's growth strategy, reinforcing its commitment to innovation and operational excellence. It highlights company's strong financial health and commitment to enhancing production capabilities.

Fineotex Chemical Limited remains dedicated to maintaining its leadership in the specialty chemical industry through continuous innovation, strategic investments, and a focus on sustainability. The company's recent diverse product portfolio that caters to a wide range of industries, reinforce its commitment to providing high-quality, eco-friendly solutions.
